
Comprehensive Frequently Asked Questions (FAQ)

Everything you need to know about partnering with Texas Armour Construction LLC for your DFW outdoor living project.

Question	Answer
What services does Texas Armour Construction LLC specialize in?	We specialize in premium outdoor living additions in the DFW area. Our core services include: Patio Covers (integrated & detached), Pergolas, Gazebos, & Pavilions, Complete Concrete Extensions (stained, stamped, finishes), and Custom Masonry (outdoor kitchens, fireplaces, retaining walls). We also offer interior/exterior construction and artificial turf installation.
What sets Texas Armour Construction apart from other contractors?	We are a locally owned and veteran operated company founded on principles of integrity, quality, and transparency. With over 20 years of experience , we prioritize top-quality craftsmanship and treating every client like family through constant communication and attention to detail.
What areas do you serve?	We proudly serve the entire Dallas-Fort Worth (DFW) Metroplex and surrounding communities.
How can I get a quote for my outdoor project?	You can easily get a free, no-obligation quote by contacting us via phone (Office: 214-736-2944 or Cell: 469-307-2888), email (Admin@texasarmourconstruction.com), or by filling out the form on our website.

Are your structures (patio covers, pergolas) engineered to withstand DFW weather?	Absolutely. All our structures are designed and engineered to meet or exceed local DFW building codes for wind load and structural integrity. We use high-quality materials to ensure your investment is safe, durable, and long-lasting through high winds and heat.
Do you assist with city permits and necessary coordination?	Yes, we do. As part of our comprehensive service, we handle all necessary permits and coordination with the local city/municipality to ensure your project is completed efficiently and correctly, saving you the hassle of the red tape.
What kind of warranty do you offer on your construction projects?	We offer a comprehensive structural warranty on all newly constructed outdoor living spaces. The specifics of the warranty (length and coverage) will be clearly detailed in your contract, ensuring you have peace of mind long after the project is complete.
Do you offer financing options for projects?	Yes. We understand that outdoor living is a significant investment. We offer financing options to help make your dream project a reality. Please visit the ' FINANCE ' section of our website or ask for details when you request a quote.
Do you use subcontracted labor or your own crews?	We primarily use our skilled, in-house crews for most construction phases to maintain strict quality control. For highly specialized trades , we use a select network of trusted and fully vetted subcontractors who meet our high standards.
How long does a typical patio cover or pergola project take?	The timeline varies based on complexity and city permitting time. Generally, once permits are approved, a standard project

	takes about 2-4 weeks to complete. We provide an estimated timeline upfront and maintain daily communication about our progress.
Are you insured and bonded?	Yes. Texas Armour Construction LLC is fully insured with General Liability coverage and carries Workers' Compensation to protect you, your property, and our employees throughout the construction process. We can provide proof of insurance upon request.
What happens if an issue is found after the project is complete?	If you discover an issue related to our work, simply contact us immediately . We are committed to client satisfaction and will promptly schedule a time to assess the issue and make the necessary repairs under the terms of our structural warranty.
